**SISTEM INFORMASI PENGAJUAN RALAT DATA KEPEGAWAIAN
PADA BKPSDM KABUPATEN PEKALONGAN.**

Di bawah bimbingan Taryadi, S.Kom, M.Cs dan Wahyu Setianto, M.Kom.
92+xiii hal / 12 pustaka (2007 - 2019)

ABSTRAK

Badan Kepegawaian Pengembangan Sumber Daya Manusia Kabupaten Pekalongan dibentuk berdasarkan Peraturan Daerah Kabupaten Pekalongan Nomor 4 Tahun 2016 tentang Pembentukan dan Susunan Organisasi Perangkat Daerah Kabupaten Pekalongan. kegiatan proses pengajuan ralat data kepegawaian masih menggunakan formulir manual sehingga sangat berisiko kesalahan dalam penulisan data. Bagian yang terlibat dalam proses kegiatan pengajuan ralat data kepegawaian antara lain Pegawai, Bagian Pelayanan Kepegawaian dan Kepala Bidang. Dari proses disposisi tersebut membutuhkan waktu yang lama untuk melakukan proses kegiatan pengajuan ralat data kepegawaian maka dibangunlah sebuah sistem informasi pengajuan ralat data kepegawaian di Badan Kepegawaian Pengembangan Sumber Daya Manusia (BKPSDM) Kabupaten Pekalongan berbasis website agar memberikan kemudahan dalam kegiatan proses pengajuan ralat data kepegawaian yang nantinya dapat dicari sewaktu-waktu. Serta dapat memberikan laporan pengajuan ralat data kepegawaian di Badan Kepegawaian Pengembangan Sumber Daya Manusia (BKPSDM) Kabupaten Pekalongan. Sistem informasi pengajuan ralat data kepegawaian ini dirancang menggunakan bahasa pemrograman PHP dan Mysql dengan software xampp. Metode pengumpulan data yaitu observasi dan wawancara. Metode yang digunakan dalam pengembangan sistem yaitu Waterfall. Metode yang digunakan dalam pengujian sistem meliputi GUI, user acceptance test (UAT), whitebox testing dan blackbox testing. Kesimpulan yang dihasilkan bahwa Sistem dapat memberikan kemudahan bagi pegawai dalam proses pengajuan ralat data kepegawaian secara online. Sistem dapat membantu BKPSDM Kabupaten Pekalongan dalam proses pembaruan data pegawai di lingkungan Pemerintah Kabupaten Pekalongan. Sistem dapat mempercepat dalam pendokumentasi dan pelaporan pengajuan ralat data kepegawaian pada BKPSDM Kabupaten Pekalongan.

INFORMATION SYSTEM OF APPLICATION OF EMPLOYEE DATA ERRORS AT BKPSDM PEKALONGAN REGENCY.

Under the guidance of Taryadi, S.Kom, M.Cs and Wahyu Setiarto, M.Kom.

92+xiii pages / 12 libraries (2007 - 2019)

ABSTRACT

The Pekalongan Regency Human Resources Development Personnel Agency was formed based on Pekalongan Regency Regional Regulation Number 4 of 2016 concerning the Formation and Organizational Structure of Pekalongan Regency Regional Apparatuses. the process of submitting employee data corrections still uses manual forms so there is a high risk of errors in data writing. The departments involved in the process of submitting employee data corrections include employees, the Personnel Service Section and the Head of Fields. From the disposition process it took a long time to carry out the process of submitting employee data corrections, an information system for submitting employee data corrections was built at the Pekalongan Regency Personnel Development Agency (BKPSDM) based on a website so as to provide convenience in the process of submitting employee data errors. can be searched at any time. As well as being able to provide a report on submitting personnel data corrections at the Human Resources Development Personnel Agency (BKPSDM) Pekalongan Regency. This information system for filing personnel data corrections was designed using the PHP and Mysql programming languages with xampp software. Data collection methods are observation and interviews. The method used in system development is Waterfall. The methods used in system testing include GUI, user acceptance test (UAT), whitebox testing and blackbox testing. The resulting conclusion is that the system can provide convenience for employees in the process of submitting employee data corrections online. The system can assist the Pekalongan Regency BKPSDM in the process of updating employee data within the Pekalongan Regency Government. The system can speed up the documentation and reporting of filing personnel data corrections at the Pekalongan Regency BKPSDM.
